RE: RR 17L-05

Dear Mr. Jordan:

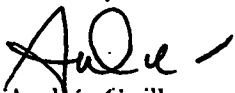

I respectfully write to you as counsel for Comité Pierluisi, Inc. We are in receipt of your letter dated February 15, 2017, and have reviewed the referral made by the Reports Analysis Division to the Commission's Office of General Counsel for possible enforcement action under 52 U.S.C. § 30109.

As you are aware, although the Federal Election Campaign Act of 1971, as amended, only requires the Commission to attempt to conciliate matters after a finding of probable cause, 2 U.S.C. § 437g(a)(4), the Commission has promulgated regulations for pre-probable cause conciliation to allow for early disposition of appropriate matters. See 11 CFR 111.18(d).

This letter is to inform you that we are formally requesting pre-probable cause conciliation for the matter of reference. Should the Commission decide to enter into pre-probable cause conciliation, please address the proposed conciliation agreement and any additional correspondence to:
